Ranpro's Contractor™ high visibility foul weather gear is designed for a variety of industrial applications. The rugged, watertight construction offers the safety and protection of more expensive rainwear.

Comfortable and roomy, this long wearing suit comes in distinctive Hi-Viz contractor orange with 3m™ Scotchlite™ reflective material to ensure workers will be seen day or night. PVC on Polyester provides excellent flexibility and tear resistance while high pressure RF welded seams ensure a tear proof, watertight seal.

Remember to choose the Ranpro "R" for top quality protective apparel!
