You Design, We Deliver

Welcome to Ranpro

We've been through a lot of changes since 1865. During that time, our line of premium rugged Extreme Condition Protective Apparel has earned the respect of thousands of professionals.

Field-tested and fully guaranteed, Ranpro Extreme Condition Protective Apparel is designed to solve the needs of demanding work environments. Our full range of products offers comfort, durability and safety.

That's what keeps generations of customers coming back, year after year.

Now that same great quality product is available in a new form. Customized protective apparel. Uniquely designed certified high visibility clothing and corporate wear.

Visit our website, use our new Ranpro Select customization software and create your own look. It's the latest step in providing our customers with innovative products and services - taking your protective apparel above and beyond the ordinary.

After all, we've helped define the industry for over a hundred and forty years.

www.ranpro.com

Ranpro is proud to have achieved
ISO 9001:2000 international quality standard
certification, assuring you of consistent,
high quality products.

**You Design,
We Deliver**

**Design your own
Certified
High Visibility and
Corporate Protective
Outerwear**

- Reinforce your corporate identity to your workforce or your customers with garments featuring your corporate colours and logo
- A selection of High Visibility garments are available to help ensure safety for your workforce
- Place your order in volumes as low as 50 units per style

- Our garments are made of top quality components. All jacket fabrics are water-proof PU breathable coated Polyester. All reflective material is made of 3M Scotchlite. Optional lining is made of 3M Thinsulate. All zippers are YKK brand
- We offer quick turnaround - lead time is 3-4 weeks
- Competitively priced - contact your distributor for more information

How does it work

Go to www.ranpro.com and choose the Ranpro Select link.

Choose a garment style from our wide assortment.

Design your garment to match your corporate colours from our range of 21 colours. Select available options such as lining, accessories, etc. Upload your logo and choose its location. Save your design.

The next business day you will receive a 3D visualization by e-mail for approval.

Once approved, you will receive a unique customized sample garment within 7 working days.

Once final approval is received, your order will arrive in 2-3 weeks!
