

ACIFORT®

Light, Durable, Acid Resistant & 100% Waterproof

**FEEL THE
DIFFERENCE**

CLASSIC SMOOTH
with Steel Toe

Footwear for food processing!

Acifort boots are specifically designed for work environments exposing workers to acids, bases, minerals, animal & vegetable oils & fats, disinfectants, blood, & various other chemicals.

From agriculture to food processing, the Acifort boot will keep you safe and withstand the elements commonly encountered in the food processing industry.

But don't just take our word for it. Try them out for yourself and feel the difference!
