

SNAPPER SERIES

WATERPROOF OUTERWEAR - HEAVY DUTY

DESIGNED FOR WHATEVER EXTREME ELEMENTS YOU FACE!

If you work in extreme conditions, there's a Snapper® outer garment designed for you.

XP Snapper® sports a high visibility blaze orange and marine green material reinforced by a double-coated high tenacity nylon "Tear Tuff" fabric front and at all critical areas.

GB Snapper® features our exclusive Gatorback fabric that is 15 times more abrasion resistant than most heavyweight rainwear fabrics.

FL Snapper® features a soft PVC/Polycotton fabric that is also supple. The new high visibility fluorescent colour provides even greater visibility.

Extensively field tested, the Snapper® Advantage Series of Extreme Condition Protective Apparel is acclaimed for its exceptional durability, flexibility, visibility and comfort.
